EXTERIOR

Built in 2005 by New Zealand Yachts SPIRIT won the superyacht of the year award for her revolutionary design, efficiency, and construction. The Brett Bakewell White designed 115ft Wavepiercer boasts an impressive 304 GT comparable in volume to many 140-150ft vessels. The 36 ft wide beam offers multiple outdoor entertaining areas, wide decks, and increased stability all within in a fuel-efficient design.

INTERIOR

The yacht layout radiates from the main saloon, which connects to the aft deck. The aft deck features a variety of seating areas and that's where most of the delicious meals are served. Multiple portholes connect you with the outside world.

ACCOMMODATION

M/Y SPIRIT boasts 5 large guest cabins (1 King, 4 Queen -Two queens can split to twins-) with ensuite bathrooms including a vast master stateroom with two office areas, 180- degree views and a private deck. With accommodations for up to 10 guests.
